Students to Elect New Chairman Of Union Board in Today's Vote

Two students are candidates for the office of Union Board chairman in the election being held today on the first floor of the Administration building.

Interviews Show Various Opinions On Rate Increases

Without posing as economic experts, students of the College have views on proposed increases of postal rates and the Federal gasoline tax, as is shown by a sampling of opinion.

"Demand for gas is inelastic; therefore an increase in price will not decrease the amount that is bought enough to decrease revenue," reasoned Ivan Rasmussen, senior economics and social science major from Kimballton, Iowa.

Most students polled were not in favor of such an increase unless a definite need could be shown.

"If gasoline prices keep going up, foreign cars will be in more demand in order to cut down on gas consumption," believes Don Kixmiller, junior mathematics and physics major from Carson, Iowa.

"Post office employees are poorly paid; so a postal rate increase is necessary, definitely," stated Dean Roberts, junior history and social science major, Atchison, Kansas. He is not so much for an increase in the gasoline tax unless specifically for internal improvements, such as the road system.

Some Favor Postal Increase Robert L. Hayden, senior English and social science major, Maryville, said, "Gas, no; postal yes; we need the extra revenue." "Since the Post Office Department is running on a deficit, a raise would be in line," is the opinion of Kenneth Gerardy, history and social science major, Atchison, Kansas.

Thirty-five Attend Kansas Exposition

Thirty-five engineering students attended the Engineering Exposition at Kansas University, Lawrence, April 17. These students also visited the Leavenworth Command School.

Mr. Donald Valk and Mr. Kenneth Thompson went also.

Takes Plan to Speak To Local Lions Club

Dave Hansen, Bill Morse, Don Deeson, and Chuck Stadler are scheduled to speak to the Lions Club in Maryville, April 30, on the development of the fraternity house that Tau Kappa Epsilon is planning to build. Bids are being reviewed and construction is expected to start in the near future.

Candidates are David Hargrave, candidate of Tau Kappa Epsilon, and Ron Kixmiller, candidate of Phi Sigma Epsilon. Their campaign managers are Larry Brown and Bill Sutter, respectively. The one receiving the most votes will be the new Union Board chairman and the other will be vice-chairman.

Ron Kixmiller is a junior from Carson, Iowa. He is majoring in mathematics and minoring in physics, working toward a B. S. in secondary education. He is a cheerleader, besides being a member of the Union Board.

David Hargrave is a sophomore from Maryville, majoring in social science, economics, and history. He is working toward an A. B. degree. He is sophomore class president, and is a member of the Student Senate and Young Democrats.

As stated in Article I of its constitution, the Union Board is created by Article XII of the Student Government Association constitution. It replaces both the Social Committee and the old Union Board. Limited campaigning within Student Senate regulations began Monday, April 20, and will continue throughout the day. This is an all-school election. Polls will close at 4 p.m.

Landscaping Work Keeps Crews Busy

Steady progress is being made in the building and campus-improvement program, with some projects being completed as others get under way.

Campus crews are busy planting ornamental evergreens in the new areas surrounding new buildings and in other parts of the campus. Already several hundred have been set, out of a total of 700 which are included in landscaping plans.

Every effort is being made to have the new health and physical education building in usable condition so that commencement exercises may be held there on May 28.

An unusual feature of the building is the Lamella-type self-supporting roof structure of curved interlocking members. The roof structure was completed Friday, April 10, and at present the roofing is being applied. Much work remains to be done.

Fraternity Clears Pond of Impurities

Members of Alpha Phi Omega, service fraternity, undertook the project of cleaning the College pond April 11.

Installation of new officers was held at the April 8 meeting.

"Alpha Phi Omega is available to anyone who is in need of service, and it will be happy to give service whenever notified of the need," says John Bush, fraternity reporter.

Bennett Cerf to Be Opening Attraction Of Fall Assemblies

Versatile Bennett Cerf will pay a return visit to the College for the first assembly of the fall semester, Thursday evening, October 8, the assembly committee recently announced.

Members of the District Teachers Association will be guests at the assembly, as the Association will be holding its annual meeting here at that time. Admission of students and faculty members will be with activity tickets, and the public will be admitted at a nominal charge.

Will Be Held in New Building

The assembly will be held in the new health and physical education building and will serve to demonstrate the possibilities of that type building as the site for cultural presentations. It is expected that 2,500 persons will be seated, according to members of the committee.

Mr. Cerf is a panelist on the television program, "What's My Line?" He is the president of Random House Publishing Company, the author of a number of humorous books, the editor of "An Encyclopedia of Modern American Humor," and a columnist for "This Week" magazine and the King Features Syndicate.

Students and Faculty Form Group

Both students and faculty members make up the Assembly Committee which at present is engaged in arranging the program of assemblies for next year. Adaptations are to be made in planning assemblies, in recognition of changes resulting from the rapid growth and development of the student body. Some assemblies will perhaps be held at night, and the total number of assemblies may be fewer, using well known people.

Dr. Grube Announces Meeting in Kirksville

Dr. Frank W. Grube, head of the Division of Language and Literature, has announced that the spring meeting of the Missouri Association of Teachers of English will be held at Kirksville, April 25.

A luncheon will be held costing \$1.50 per person.

Any English major interested in attending the meeting should get in touch with Dr. Grube to make arrangements for transportation.

Den Movie to Be 'Grapes of Wrath'

Henry Fonda will star in "The Grapes of Wrath," which will be the Den Movie presentation Friday, April 24, at 7:15 p.m.

Based on the novel by John Steinbeck, the movie tells the story of the terrible hardships encountered by people in trying to make a living in a time of dust and drought.

Produced by 20th Century-Fox, the movie will last an hour and 55 minutes.

Miss Winburn Breaks Left Wrist Thursday

Miss Mabel Clair Winburn, secretary to President J. W. Jones, accidentally broke the wrist of her left arm Thursday afternoon, April 16. At present she is wearing a cast and is impatiently waiting for full return to her duties.

Progressive Jazz Group To Feature Two Soloists

Joe de la Cruz and Marjorie Guinn will be featured soloists when the Progressive Jazz Group, directed by Mr. Earle Moss, presents the assembly at 10 a.m., Tuesday, April 28, in the auditorium.

Miss Guinn will play Stan Kenton's "Collaboration" as a piano solo, and de la Cruz, vocalist, will sing

"Laura," "I Cover the Waterfront," and "Speak Low."

Tunes to be played by the group are "Leap Frog" by Les Brown, "Bernie's Tune," "The Jersey Bounce," "Unison Riff" by Stan Kenton, "I've Got My Love to Keep Me Warm," and "Gower Street Gambol."

According to Mr. Moss, the group tries to strike a happy medium between the type of music played by the Sauter-Finnegan orchestra and that played by Les Brown. The Progressive Jazz Group uses the exact arrangements used by the "big-name" bands, rather than a less difficult version. When playing a Les Brown number, for example, they play it exactly as it appears in Brown's books.

Besides the two soloists, the 18-member group includes Kathryn Adams, Victor Anderson, John Andrews, Richard Barrett, Dick Bauman, Everett Boyer, J. C. Combs, Ronald Clark, Judy Grant, Gerald Jones, Connie Johnson, Sharon Reis, Jeannie Richey, Jack Ryan, James Schar, and Galen Vogel.

Musicale Program To Be Recordings

Tonight's Twilight Musicale will be an informal program featuring records. It will be held in the Union lounge from 6:15 p.m. to 7 p.m.

Tentative plans are to feature recordings of Segovia, Ellington, Debussy, Gershwin, and Borodin. This program, as all of the Twilight Musicales do, will give the student an opportunity to become acquainted with music which he might like, but which he has not heard.

Humanities Classes Plan for Art Tour

Students in the humanities classes will be afforded an opportunity to visit the Nelson Art Gallery in Kansas City the latter part of this month.

The Gallery has an extensive collection of Renaissance period paintings. Most of these paintings are by Siennese painters.

Fraternity to Hold White Rose Formal

Theta chapter of Sigma Tau Gamma will hold its annual White Rose spring formal at Armstrong's restaurant, Friday April 24, 9 p.m. to 1 a.m.

Ray Alburn and his band, who played at the All Greek dance, will provide the music.

Sigma Tau Gamma Rose Queen will be chosen from three girls selected by the active members.

Awards will be presented to the outstanding senior active and to the senior active with the highest grade point average.

Bob Snell, Bob Severson, and Roger Blackwell are serving as the central party committee.

College Graduate Has Teaching Assistantship

James McIntyre, Maryville, a mid-year graduate of the College, is working toward a master's degree in physics at the University of Missouri. He has a teaching assistantship from the University and is living on the University campus.

He has a bachelor's degree with a double major in mathematics and physics.

AWARDED . . . the Danner Agriculture Achievement Award at the annual Ag Club banquet held April 3 was Phyllis Standlee, right, shown receiving the award from Melvin Bullock, manager of the local Danner Elevator. Standlee, a junior agriculture and biology major, received the award as a result of being named the outstanding member of the Ag Club for this year. Originally from King City, Phyl is married and lives in College Park.

LITTLE MAN ON CAMPUS

"Lotta absences—mus' be some kind of sickness goin' 'round."

Three Instructors Present Seminar

Unusual as it may seem, three instructors presently are engaged in presenting a senior seminar in economics, business, and government at the same time and in the same class.

Dr. Sterling Surrey and Dr. John Harr are assisting Mr. Charles L. Hyde in Economics 276 by presenting their studies in business and government as supplemental material which relates directly with government regulation and its impact upon the American economy as studied by Mr. Hyde's students.

Rather than the usual teacher-student class, Economics 276 is a senior course seminar in which the students are encouraged to participate in a round-table discussion, discussing the merits or disadvantages of seminar problems.

The course is concerned with the study of the American economy and government regulation in the past forty years; thus the course is quite new in scope.

Dr. Harry Dildine Has 31 Years Of Service on College Faculty

Dr. Harry G. Dildine, scholar and former missionary, has been a professor in European history at the College for 31 years. Through years of devotion and dedication to his profession, he has brought many advancements to the social science department of this college.

He was born, reared, and graduated from high school at Ionia, Michigan, and is the son of James Dildine and Jennie Crawford Dildine. He received a B. A. degree in 1903, an M. A. degree in 1912, and a Ph. D. in 1918, all at Northwestern University, Evanston, Illinois.

Dr. and Mrs. Dildine, who were married July 1, 1903, have two children. They are Mary Ellen Edelmann, of Portland, Oregon, and Glenn, of Silver Springs, Maryland.

He Is Educator and Missionary

Dr. Dildine has had varied experiences as an educator and missionary in China. While working with the Methodist church for 24 years, he was principal of primary and secondary schools at Hingwa and Yung Chun in the Funkien Province of China from 1903 to 1915, principal of the high school at Tai An in Shantung Province from 1917 to 1922, and dean of the Peking Academy, a high school and junior college combined, for one year.

For three years, from 1923 to 1926, he was president of the Peking Methodist High School, the junior college having been merged into the Union Christian University in Peking.

He was a professor in European history at Northwestern University for one year, 1927-28, and has been teaching here since that time.

Belongs to Phi Beta Kappa

Dr. Dildine is a member of Phi Beta Kappa at Northwestern University, and Kappa Delta Pi here. He was the first chairman of the humanities staff at the College, and the 1951 Tower was dedicated to him. Having been elected from Hingwa, Fungien Province, China, he was a delegate to the China Centenary Missionary Conference at Shanghai in 1907. He was a delegate from Shantung to Peking for the planning conference on an all Methodist Episcopal advance program in 1922, and he was a member of the committee which initiated the founding of Hwa Nan College at Foochow, China, the first institution of college level founded in China for the education of Chinese girls.

Dr. Dildine is a member of the National Education Association and the Missouri State Teachers Association. He was a chairman of the Men's Monday Forum for two years and has been a member since 1929.

Adds to College Studies

He has made two contributions

Dr. Harry G. Dildine

to the Northwest Missouri State College Studies. They are "The Persistence of Shinto in the Modern World," June 1, 1941, and "Bolsheviks, Icons, and Patriarchs," June 1, 1947. His Ph. D. dissertation was entitled "The Treaty of Wanghia," the first treaty between China and the United States.

Speaks Several Dialects

In China Dr. Dildine lived four years in an area where the Hingwa dialect is spoken, and nine years in an area where the Mandarin language is used. In each of these residences Dr. Dildine was expected to acquire a use of the local language in order to comprehend and teach.

Some of the additions to the curriculum of Northwest Missouri State College introduced by Dr. Dildine are the introduction of a two-hour credit course, "The Far East"; a two-hour credit course, "Great World Religions"; a two-hour credit course, "History of Russia to 1917"; a two-hour credit course, "History of the Hebrews to A. D. 30"; and a two-hour credit course, "The Beginnings of Christianity." While in China he introduced a co-education class in teacher training at the Peking Methodist High School.

He Enjoys Hobbies

Dr. Dildine enjoys singing in choir or chorus and participates actively in the Methodist Church choir. Reading of current developments in China and walking bring much enjoyment to him.

According to Dr. Dildine, there have been many changes in the social science department over the past 31 years. The importance of holding an advanced degree has become more strongly emphasized since 1928, and there has been a big advancement in the curriculum offered for postgraduates. There has also been a great increase in the number of faculty members on the social science staff.

The Stroller . . .

"Culture comes to the campus through theatre" could be the theme of activities during this semester. The Canadian Players started the ball rolling with AS YOU LIKE IT, and the drama department followed with SEVEN KEYS TO BALDPATE.

Now it has been LA BOHEME, and coming up are LIGHT UP THE SKY to be presented by Alpha Psi Omega and an evening of one-act plays to be presented by the directing and acting classes of the drama department. All that is needed now is a lighted marquee.

Are you tired? Can't think clear? Good! Now is your chance to do less thinking. Become hypnotized and let someone else do it for you. The fad to take up that leisure time now appears to be hypnotism. The Stroller learned the other day that someone had thirteen girls under the spell, all at one time! A lot of people on campus look as though they haven't come out yet, but this could be just natural countenance.

Another progressive idea is the Non-Think Club. Anyone can join. The initiation consists of a group of people sitting around a candle in a darkened room for several hours. This leads to nothing, which of course is the first principle of non-think.

It's spring and the young man's fancy has turned. If he is married, it's his wallet that has turned . . . inside out, because the young woman's fancy has turned to wardrobe. Well, cheer up, and remember

He who lives to love

Will love to live.

Confucius . . . or somebody

If You Would Learn

To achieve intellectually One must perceive subjectively. One should not be satisfied to descend, But rather, he must aspire to transcend. If one believes his subject is merely superficial, Then not to himself nor others will he be beneficial. If one's inclinations are mathematical, Then to him symbolic factors will never be abstractional. If one relishes the study of the humanities, Then to him the achievements of man can't represent his vanities. If his aspirations are scientific, Then to the complexity of the study, he can't be hypercritical. If in the fine arts one would show ability, Then one's endeavors should never show tranquillity. If one leans to sociology, Then the breakdown of society won't just be systematology. So if in college you would learn, Then the midnight oil you will burn. —Contributed by Robert Phelps

Thanks for Better Government

Retiring president of the student body, Bob Owens, has, through effort, brought progress to the College during his term in office. Presidential responsibilities require time-consuming, many, and varied duties; progress can come only through effort towards high goals.

Among the advancements Mr. Owens has been influential in bringing about have been (1) the approval and the printing of the new student government constitution, (2) the aiding of the Administration in getting a new parking system started on the campus, (3) the revision of Homecoming queen rules for wider representation, (4) the making it possible to have more than one or two candidates for the position of student body president, and (5) the organization of the student-faculty discipline committee, a committee which has functioned successfully.

It has been the policy of Bob Owens, during the past year, to maintain a representative student government in the best interest of all students. An expression of appreciation is in order for him as well as for the retiring Student Senate members who also worked for the welfare of all. The positions are honorable ones, and the accomplishments of the students holding them have been just as honorable.

—James Holmes

They're Talking About . . .

THEY'RE TALKING ABOUT . . . college plays that are as good as New York stagings . . . rules and regulations to live with in the new classroom building . . . TEKE "dream home," a closer reality now that bids are back . . . last week's Stroller's suggestion for survival.

THEY'RE TALKING ABOUT . . . election for Union Board officers and how little attention it receives in comparison with other elections . . . "The Big Move" to the new classroom building and high hopes for certain classes to be cancelled for a day or so.

THEY'RE TALKING ABOUT . . . the much needed parking lot repairs . . . students who plan to go to summer school . . . how crowded the Den is . . . the weeks and days of school remaining . . . the numerous students who are finding difficulty in concentrating during the intervals of tempting weather.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Looking Forward

- April 22 ACE Panel Skits, Horace Mann Kindergarten, 7:00 p. m.
- Twilight Musicales, Union lounge, 6:15 p. m.
- 24 Den Movie, "Grapes of Wrath," Bearcats' Den, 7:15 p. m.
- Sigma Tau Gamma Rose Dance, Armstrong's, 9-1.
- 25 Delta Zeta Spring Formal, Union Lounge, 9-1.
- 27 Kappa Omicron Phi Alumnae party, Gold Room, 7-9 p. m.
- Perkins and Kuhn Recital, Horace Mann Auditorium, 8:15 p. m.
- 28 Assembly, Progressive Jazz Concert, 10:00 a. m.

Recital Calendar

- April 29—Marjorie Guinn, piano.
- May 3—Gary Tolen, French horn. Robert Williamson, voice.
- May 13—Marjorie Guinn, voice. Dick Jenkins assisting.
- May 18—Eva Lee Hess, piano.

Art Classes Show Paper-Mache Work

Mrs. Virginia Dorman's 9 a. m. and 1 p. m. art classes now have their fantastic paper mache characters on display in the case on second floor. The Kiwanis Club used the characters for table decorations at a recent meeting when a magician spoke to the group. The fantastic creations were supposed to represent what he could pull out of his hat.

Dr. Angman Publishes Second Work of Series

Dr. Berndt Angman has published the second of a series of three works for the Northwest Missouri State College Studies. It concerns the "Rise and Fall of Orthodox Marxist Philosophy Within the Ideology of the Swedish Social Democratic Workers Party." The first of Dr. Angman's series was "Early Ideological Development of the Social Democratic Workers' Party of Sweden."

KE Chapter Wins Two High Honors During Conference

Delta Nu chapter of Tau Kappa Epsilon fraternity won two first-place trophies at the Great Plains Leadership Conference of the fraternity held in Kansas City, April 1 and 12.

One trophy was the scholarship trophy, awarded to the chapter in the Missouri-Kansas province which has the highest scholastic average among its active members. The local chapter also won the trophy for the first place display, for the second consecutive year.

Dave Hansen and Bill Morse were masters of ceremonies at the various banquets and general assemblies. Dr. John Taylor was leader of a discussion group of pledge trainers.

Delta Nu chapter was host chapter at the conference this year.

HONORS . . . won by Tau Kappa Epsilon fraternity at the Great Plains Leadership Conference recently are displayed by Gary Woolsey, left, and Dave Hansen, new president of the local chapter. Woolsey is holding the trophy for first-place display, and Hansen is holding the scholarship trophy.

Students to Attend Retreat in Ozarks

About 30 members of the Wesley Foundation, Methodist college youth organization, will attend the annual spring retreat at Camp Clover Point on the Lake of the Ozarks this week end. Wesley Foundation members from colleges and universities all over the state will be in attendance at the meeting at which next year's state officers will be elected.

E. L. Reed, president, will head the local delegation.

Dr. Charles Koerble, dean of faculty, was guest speaker at the local meeting, Sunday, April 19.

Officers of the Wesley Foundation for next year, elected at a recent meeting, are Ray Fore, president; Eugene Watson, vice-president; Carol Guiley, secretary; Myrna Arms, treasurer; and Bill Schultz, state council representative.

Engagements and Pinnings

Congratulations to Janice Dowden and Wayne Nelson on their recent engagement.

Janice is a graduate of the College with a major in business and a minor in mathematics, and Wayne is a graduate of the College with a major in physical education and a minor in business. She was a member of Sigma Sigma Sigma social sorority at the College, and he was a member of Pi Omega Pi, honorary business fraternity.

Gaye Laughery has recently announced her pinning to Dale Grammer. Gaye, a member of the Art Club, NEA, Kappa Pi, Dance Club, and Alpha Sigma Alpha sorority, is a sophomore on campus. Dale, who was a member of Beta Theta Pi fraternity at Westminster College in Fulton, before he went to the service, is a junior and also a member of NEA. Gaye is from Bayard, Iowa, and Dale is from Chillicothe.

Congratulations to Mary Helen Wolf and Nick Jacobs on their recent pinning. Miss Wolf is a sophomore elementary education major from Griswold, Iowa, and is a member of S. N. E. A. and the Newman Club. Mr. Jacobs is a junior business major from Harlan, Iowa, and is a member of Tau Kappa Epsilon fraternity and the Newman Club.

Karen Kinnick and Dick Henak were recently pinned. Karen, from Lohrville, Iowa, is a junior majoring in music. Dick is a member of Tau Kappa Epsilon and will graduate this year at Iowa State Teachers College in Cedar Falls. He is an industrial arts major.

Patronize Missourian Advertisers

Ag Club Members Receive Awards

Awards were presented to outstanding agriculture students at the annual Ag Club Banquet held April 3 at Armstrong's Cafe. Seventy members attended, and twenty-seven fathers were guests of their sons.

Outstanding in the Ag Club this year was Phyl Standea, a junior from King City. He was awarded the Danner Agricultural Achievement Award for being outstanding in the club; the "Golden Steer" trophy by virtue of being high point individual in the judging contest; the F. B. Houghton Award for being high scoring judge on the squad. He was also a member of the team which won the contest.

The Berea, Kentucky, Livestock Judging Contest Award was given to the team consisting of Bill Simmons, Richard Johnson, Nelson Thornton, and Fred Connor.

Dr. Walter Woods of the Animal Husbandry Department of Iowa State College was the speaker for the evening.

Two Instructors Attend Industrial Conference

Mr. Howard Ringold and Mr. Neil Palmer, instructors in the industrial arts department, attended the Spring Industrial Conference at the University of Missouri, Columbia, April 17.

Mr. Ringold was chairman of one of the divisional meetings at the annual conference.

Dr. Mueller Attends Springfield Convention

Dr. Irene Mueller of the Biology Department, left yesterday to attend a P. E. O. convention at Springfield. The convention will continue through the rest of this week.

Greek News

Rosalie McCrary has been appointed chairman for the annual Alpha Sigma Alpha Parents' Day picnic to be held at the shelter house in College Park, Sunday afternoon, May 10. This picnic is especially held to honor the parents of the sorority girls, and an informal program has been arranged for their benefit. Guests will include parents and other members of the immediate family.

Nick Jacobs has been appointed as over-all Homecoming chairman for Tau Kappa Epsilon for next year. He was co-chairman with his brother Ken for last year's Homecoming activities.

Peggy Riley, Evelyn Robison, and Trudi Walker will be Alpha Sigma Alpha's representatives on the 1959-60 Homecoming Committee, as announced by Barbara Burgess, sorority president.

Sorority Holds Tea Honoring Alumnae

Alpha Sigma Alpha sorority held a tea in honor of the Maryville alumnae chapter last night in the sorority chapter room.

In charge of organization and invitations were Rosalie McCrary, Barbara Burgess, Kay Riley, and Bonnie Warner. Norma Murphy, Peggy Riley, Marlene Brown, and Carolyn Culver had charge of table decorations. Refreshments were the responsibility of Betty Schmitt, Sandra Enfield, Jackie Schrooten, and Trudi Walker.

Sigma Taus Attend Province Meeting

Theta chapter of Sigma Tau Gamma sent fifteen active members to the annual Province meeting held on the University of Missouri campus, April 10-12.

Beta Alpha chapter, University of Missouri, was host to all other Sigma Tau Gamma chapters of Missouri.

Attending the meeting were Bob Snell, Harold Wilkinson, Elmer Clark, Jack Ballinger, Dick Carl, Bob Chadwick, Larry Eisenbarger, Vern Humphery, Don Lacy, Ron Myer, Marv Wright, Ron Ives, Ron Mason, and Phil Rollins.

Student NEA Holds Officer Installation

New officers of the John Dewey Chapter of Student National Education Association were installed in a candlelight ceremony conducted by Delivee Cramer, state vice-president, at the last meeting of the chapter Wednesday evening, April 15, in the Union lounge.

Dr. Wanda Walker, sponsor, then led the future teachers' pledge.

During the business meeting, at which Ray Fore, newly installed president presided, plans were made for canvassing the city for the city directory, and arrangements for the spring banquet, to be held May 20 in the Union, were announced.

LaDonna Taylor and Eva Lee Hess were selected as the organization's candidates for Phi Sigma Kappa queen.

'Cat Squads Face Heavy Sports Schedule

'Cat Teams to Meet Cardinals In Track, Tennis, on April 28; Omaha U. in Tennis, April 24

Bearcat teams are in the midst of a heavy spring sports schedule. The tennis team will travel to Omaha, Nebraska, on Friday, April 24, to face Omaha University. On Tuesday, April 28, the track and tennis teams will meet the William Jewell Cardinals at Liberty.

Still undefeated, the tennis squad now has a 4-0 record as a result of their sweeping victory over Kansas City University by a score of 7-0 on April 14. Head coach Dr. Frank Grube is pleased with the play of his team, which now has a combined total of 25 points to 3 points for their opponents.

Matches with Omaha University on April 24 and with William Jewell on April 28 will be the first this season with these schools, and the way this 'Cat net team is going, another victory will probably be chalked up.

Falling before Kirksville 96-40 and Tarkio 70-57, the track team now has a record of 1-3. Injuries have been playing a major role in recent track meets. Bob James and Clifton Schmitt, two of Coach Paul Turner's ace hurdlers are still hampered somewhat by their injuries and are still not in top form.

This dual meet with William Jewell on April 28, will be the first meeting with the Cardinals this season and Coach Turner will be hoping for a big win.

Kirksville Blasts MSC Track Team

MSC's track team suffered its second defeat of the year last Tuesday, April 14. Kirksville's MIAA indoor champions blasted the host Maryville team 96-40 by winning 12 of 16 events, and capturing 9 second places and 9 third places.

Larry Swift was the leading point getter with 13 for the Bulldogs. Roger Wake with 8 and Bob James with 6, led the Bearcats in a losing cause.

Meet Results

880 yd. relay — Kirksville (Stater, Davis, Testman, McPike) — 1:31

1 mile run—McFadden, K; Lewis, K; B. Wake, M—4:38.5

440 yd. dash — McPike, K; Jones, K; Karston, M—52.1

100 yd. dash—James, M; B. Wake, M; Perkins, K—10.3

120 yd. high hurdles—Baker, K; Coorts, K; Jobe, K—16.5

880 yd. run—Barulish, K; Curry, M; Lewis, K—2:01

220 yd. dash—Chevalier, K; R. Wake, M; Claiborn, K—23.5

2 mile run—Knight, K; McFadden, K; Murry, K—10:07

220 yd. low hurdles—Stater, K; Baker, K; James, M—25.9

1 mile relay—Kirksville (Jones, Jobe, Chevalier, Claiborn)—3:37.5

Pole vault—Croy, M; Saunders, M; (tie) Perron and Kochler, K—12'6"

Shot put—Danner, K; Swift, K; Clayton, M—44'5"

High Jump—Rollins, M; Coorts and Hammock, K (tie)—6 feet

Intramural Teams Continue Progress With Good Spirit

BADMINTON — The doubles tournament finals were held Thursday night, April 9. The doubles team of Jack Freese and Joe Monachino, representing Sigma Tau Gamma, defeated Rich Fleming and Ed Scarlett, of Phi Sigma Epsilon. Sixteen teams of 32 boys entered this year, with the Taus pulling down 91 organization points to the Phi Sigs' 53.

SMASH — The smash tournament was also concluded on Thursday night, April 9. Corky Ingram, independent, finished first, and Craig Tweedy, independent, finished second behind him. The Taus completely dominated the organization points with 105, to the Phi Sigs' 12. A total of twenty-four boys entered the tournament.

SWIMMING — The Intramural Swim Meet was held at the College pool last Wednesday night, April 15. Fifty men took part and a total of five new records were established. High point men were Richard Thompson and Jim Blankmeyer, with 10½ and 8½ points, respectively. The team totals were: Sigma Tau Gamma—41, Phi Sigma Epsilon—20, and Tau Kappa Epsilon—10.

The new record holders are as follows:

40 yard free style—Don Bruce, Phi Sig, 22.1 seconds; 60 yard medley—

SPRING PRACTICE . . . Pictured above is Gary Holmes sharpening up his batting form while Joe Monachino is doing the catching at a recent baseball practice session.

Jerry McWinnon, Sig Tau, 48 seconds; 20 yard back stroke—Gene Jordan, Phi Sig, 11.9 seconds; 20 yard butterfly—Richard Thompson, Sig Tau, 11.8 seconds; 220 yard free style—Larry Karsten, Phi Sig, 3 minutes and 26 seconds.

Other results were:

40 yard breast stroke—Richard Thompson, Sig Tau, 31.8 seconds; 80 yard relay—Sigma Tau Gamma; 80 yard medley relay—Sigma Tau Gamma.

BOWLING—Intramural bowling play-offs were completed last Wednesday night, April 15. The Alley Kats, captained by Larry Benner, won the championship from seven other competing teams. Jerry Robey's Phi Sig 5 team finished sec-

ond, and they were trailed by Lou Gray's Cats.

Gray rolled the high individual series of 416. The high team series was 1310 posted by the Alley Kats in winning the championship. Organization points were as follows: Tau Kappa Epsilon—153, Phi Sigma Epsilon—130, and Sigma Tau Gamma was last with 100 points.

Doubleheader To Be April 28

The doubleheader baseball game scheduled here for yesterday afternoon between the Bearcats and Highland, Kas., Junior College Scotties has been postponed until Tuesday, April 28.

Al Brooks to Head M Club Next Year

Al Brooks was elected president of the College M Club at a meeting Wednesday, April 1.

Fred Fuhr was elected vice-president, and Roger Wake and Bill Croy were elected secretary and treasurer, respectively. Vernon Bryant is the reporter.

Random Shots . . .

The Bearcat tennis team suffered a blow this year, when Merle Sorenson, the number one man from last year, was declared ineligible, as he was a professional basketball official this winter.

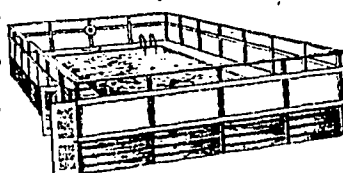

Baseball coach, Marion Moss, seems to have his lineup pretty well set now, with the infield made up of Bob Mitchell, first base; Jim Flynn, second base; Fred Reeves, shortstop; Dale Cramer, third base; Fred Fuhr, Ed Rolfe, and Harold Sims, outfield; and either Joe Monachino or Duane Abbott doing the catching.

Fred Reeves is the team's leading hitter with a robust .550 average. His hits include four doubles, one triple, and one home run. Harold Sims and Fred Fuhr are right behind with .500 and .333, respectively.

The leading pitchers are Bill Ludwig, Al Brooks, and Dale Hansen with 1-0 records. Ludwig's win was a no-hitter over Highland on April 10. Delbert DuBois is next with one win and one loss to his credit.

The remainder of the Bearcats' schedule is as follows: Friday, May 1, Warrensburg, here, doubleheader; Tuesday, May 5, Peru, here; Thursday, May 7, Nebraska Wesleyan, here; and Friday, May 15, Warrensburg, there, in a doubleheader.
